

## Chemistry for Better Living

**Ticker Symbol:** PTTGC

(Listed on the Stock Exchange of Thailand)

**Sector:** Petrochemicals & Chemicals

**Year Established:** 2011

**First Day Trade:** 21 October 2011

**Authorized Capital:** 45,088,491,170 baht

**Paid-up Capital:** 45,088,491,170 baht

**Business:** Thailand's largest integrated petrochemical and refining business and a leading corporation in Asia-Pacific region, both in size and wide range of products that aligned with global megatrends—from petrochemical to biochemical with the world's number 1 bioplastics producer. We combine environmentally friendly innovations with advanced technologies to develop products that improve people's lives.

We have clear pathways and investment for our "Together to Net Zero" Roadmap to improve quality of life for all with a transition to low carbon business to reduce current greenhouse gas emissions for 20 percent by 2030 on our journey towards achieving Net Zero emissions by 2050.

### The Company Products Portfolios are:

#### 1. Upstream

Refinery and Shared Facilities

(Crude oil and condensate distillation capacity of 280,000 barrels/day)

Aromatics (Capacity of 2,419,000 tons/year)

Olefins (Capacity of 3,738,000 tons/year)

#### 2. Intermediates

EO-Based Performance (Capacity of 473,000 tons/year)

Phenol (Capacity of 954,000 tons/year)

#### 3. Polymers & Chemicals

Polymers (Capacity of 3,667,000 tons/year)

#### 4. Bio & Circularity

Green Chemicals Business (Capacity of 793,000 tons/year)

#### 5. Performance Chemicals

Performance Materials & Chemicals (Capacity of 1,903,000 tons/year)

\*Only capacity that GC hold equal to or more than 25% share and calculate proportion by percent share.
